

Justin Wakeman
Director, Risk & Claims, Virginia Port Authority

Justin Wakeman is a risk and insurance leader with nearly 25 years of experience in claims management, enterprise risk, and public safety. As Director of Risk & Claims at The Port of Virginia, he oversees insurance strategy, risk mitigation, and complex claims resolution for a major marine terminal operator. With an MBA and certifications in Marine Insurance and Business Acumen, Justin brings deep expertise in regulatory compliance, contract risk, and workers' compensation. His career spans both public and private sectors, including 15 years as a Master Firefighter and Fire & Explosives Investigator.
