
Leslie Ruta
Port of Corpus Christi

Leslie Ruta is the Director of Planning at Port Corpus Christi. She joined the PCCA Accounting Department in 2015 as the Staff Accountant and was promoted to Revenue Accountant where she led the Revenue Team before moving to Planning in 2018.

Leslie and the Planning team lead organizational planning efforts and provide internal Port clients with strategic project coordination (including infrastructure planning, enterprise asset management, and grants management), applied technology, geographic information system (GIS) and remote sensing.
