
Tony Heeter
Operations Manager, Blue and Gold Fleet

Tony Heeter is the Operations Manager for Blue & Gold Fleet, overseeing San Francisco Bay Ferry operations in the North Bay. A maritime professional with more than 20 years of wheelhouse experience on the Pacific Coast, his background includes search and rescue, marine salvage, and high-speed ferry operations. Tony serves as Vice Chair of the San Francisco Harbor Safety Committee, Chair of the Ferry Subcommittee, and a member of the Passenger Vessel Association's Safety & Security Committee. He is the recipient of the 2026 PVA Roger Murphy National Marine Safety Award in recognition of his leadership and contributions to maritime safety.
